**Subject: Your intentional impediment of the process  
concerning the matter of Richard Chichakli**

On April 26<sup>th</sup>, 2005 you unjustifiably blocked my assets without a shred of real evidence that stands court, and YOU set a deadline for me to respond to what you made-up. On June 21<sup>st</sup>, 2005 you were provided with my response to the groundless accusation, followed on June 24<sup>th</sup>, 2005; the deadline you set, by additional letter from my attorney.

I delivered what I want to deliver to something like you and your organization one and a half months ago, and yet you failed up to this day to respond. Now, you, ON YOUR OWN wanted to extend the deadline FIFTY DAYS after it expired?

**I DID NOT request, nor I needed any extension** to respond to your lies. It seems that you needed the extension to work on FABRICATING something to cowardly hide from going to court.

I reject the extension you made-up like all your stories; you should have an answer ready AFTER the TWO-YEARS INVESTIGATION you claimed you had. Stop wasting taxpayers' money and RESPOND if you can.

Richard Chichakli
